

The Cathedral of St. Philip and
Care and Counseling Center of Georgia
Premarital Workshop

preparation for life together

Purpose

The Premarital Workshop originated in 1985 as a ministry of The Cathedral of St. Philip. Over the past twenty years, nearly 2,500 couples have made use of the insights gained from this workshop to strengthen their relationships and prepare for the challenges of marriage and family life. The workshop is open to members of all denominations. Research has shown that couples who participate in premarital education have more realistic expectations, handle conflict better and have improved communication skills. This workshop will introduce you to a number of useful tools and skills to get you off to a great start. Make an investment today that will pay dividends in the future.
