

Hillcrest East Austell, GA 30168

Here is the information about the build. The build starts at 7:50 AM with a safety talk and usually work stops around 4:00 PM. We build rain or shine, and in bad weather the decision to build or not will be made at the build site. Remember that you are on a construction site. Work boots or heavier shoes are great...nothing open toed. Wear clothes you don't mind getting dirty in and bring a good pair of work gloves. A hat and/or sunscreen are also helpful. Cobb Habitat will provide water jugs, but you may

want to bring your own water bottle. If you have a tool belt or nail apron, hammer, tape measure, and pencil, please bring them to the build site. Clearly label everything you bring.

Directions:

Take I-20 West 3.2 miles west of I-285 and exit at Six Flags Parkway. Make a right off the exit ramp (head north) for 0.8 miles. Turn left onto Hillcrest Drive and go about 0.6 miles. Our build site will be on the right.

Alternate directions:

Take I-285 to South Cobb Drive. Exit onto South Cobb Drive going outside the Perimeter and go 1.8 miles. Turn left onto Cooper Lake Road and go 1.6 miles. Turn right onto East West Connector and go 0.5 miles. Turn left onto Fontaine Road and go 2.8 miles. Turn left onto Floyd Road and go 0.9 miles. You will cross over Bankhead Highway/Veterans Memorial Highway and Floyd Road will change names to Mableton Parkway. Continue on Mableton Pkwy/Gordon Road for 1.9 miles. Turn right onto South Gordon Road and go 0.4 miles; get in the turn lane and turn left on Hillcrest Drive (in front of Fire Station No. 9). Go 0.8 miles. The subdivision is on the left.
