The people of St. Catherine's seek to share in the love that Jesus Christ has for us and the world by welcoming, accepting, nurturing, and serving all people through the power of the Holy Spirit.

We Welcome You!

- **A Way of the Cross for Children**

We offer a special family Stations of the Cross on Tuesday, April 7, at 6:30 p.m. This is an interactive Stations designed to stimulate imaginations and help our children experience the walk through Holy Week. The characters in the drama of the Passion can inspire our own efforts to offer friendship, care and support to those in need. For children ages 7-12, this experience will help them understand what happened to Jesus, and encourage both children and parents to think about God's presence and action in their lives.

- **Easter Communion**

We invite you to let us know if you will not be able to be in church on Easter Day due to illness. The Church's tradition is to bring the communion of Sunday of the Resurrection to those unable to celebrate in the midst of the community of faith. Simply contact the office to let us know. We'll have one of our Lay Eucharistic Ministers call to arrange for Holy Communion in your home during the following week.

- **Flowering of the Cross**

We invite all children to bring cut flowers to the 8:45 AM Easter morning worship service. It is our custom to flower the cross in front of the sanctuary just as the glorious worship service begins. Be sure to bring flowers for each child and we always appreciate some extras for children who are visiting or simply forgot theirs in the rush of dressing in their Easter finery.

- **The Great Vigil of Easter, April 11**

Be sure to bring your favorite and loudest bells, one for each member of your family to this beautiful liturgy! The Great Vigil of

Easter begins with the kindling of fire from which the Paschal Candle is lighted. This great candle is a distinctive feature of the Easter liturgy, leading the procession into the darkened church. The Exultet is sung. This prayer is among the oldest liturgical texts. The Liturgy of the Word begins, we listen to the record of God's saving acts in history, the witness of His continuing presence among his people, as well as in his world. We respond to each reading and then pray, silently and then our prayers are gathered into a collect. The celebrant then calls us to renew our baptismal vows. Now at last into its final part, the Holy Eucharist. This special Easter greeting begins the Eucharist. Alleluia, Christ is risen! The Lord is risen indeed. Alleluia. Here bells are rung. For the first time since the beginning of Lent a joyful song of praise is sung. The bells are rung to celebrate the great news of Christ's resurrection. The people celebrate the victory of their King who has triumphed over sin, death, and the powers of darkness. The light of Christ! We end the evening with a small and quiet reception, a foretaste of the joy and celebration the next day.

- **Our Outdoor Stations**

Our outdoor Stations of the Cross is complete with liturgies for your use, including a history of Stations of the Cross, description of our Stations and map, laminated and in a housing near Station Number 1 by the Church front doors. We invite you to use the Stations during Holy Week or any time as a way of enjoying our beautiful grounds.

Confession — Good for the Soul

Beginning on page 447 in our Book of Common Prayer, one can find two forms for The Reconciliation of a Penitent. These are forms of the sacramental rite commonly known as confession. While we don't talk too much about the sacrament of Reconciliation, confession is an important part of our spiritual practice.

Our spirituality is our relationship with God and, just as in our human relationships, there are many actions or inactions which might block our openness in that relationship. Our Lenten disciplines are intended to bring us into awareness of these actions. Where am I blocked in my relationship with God? Where am I resistant to a "full" and intimate relationship with God? As we move through Lent we may become aware of some action or inaction on our part that keeps us from a deeper understanding of God's desire for relationship

with us. This is the stuff of what we call *reconciliation*.

The word *reconciliation* means "to be brought back into harmony with" someone. As Christians we believe that the sacrifice of Good Friday brought the world back into harmony with its Creator and a new relationship is ours now in the glory of the redemption of that sacrifice.

Is there something in your life that keeps you out of harmony with God? Is there a "secret" that controls you or causes you to be resistant to a "full" and open relationship with your Creator? If so, consider the possibility of taking your burden to God and offering it through the sacrament of reconciliation.

Fr. Jim and Susan are always available for anyone seeking the Sacrament of Reconciliation.

All about Counseling

Saturday, May 2

Ever wonder what happens when someone goes to a counselor? Ever tried to navigate the healthcare/counseling maze when you or someone else needs help? Ever wanted to help someone find a counselor but you didn't know how? In our St. Catherine's family we have many people who are licensed counselors who help people every day. Join us for a panel presentation by many of our own St. Catherine parishioners who work in the mental health or counseling field. Each of our presenters will give you a brief overview of what really happens in the first (and subsequent) counseling sessions. They each can provide a unique input into how people can be helped. There will be plenty of time and opportunity for questions (both public and written/private). This session is brought to you by our own Stephen Ministers at St. Catherine's.

Join us on May 2nd from 9:00am to 11:00am in the parish hall. We want to encourage everyone to take advantage of this unique opportunity.

Wine Tasting

Easter Preparations (cont'd from page 1)

• **Monastic Dinner**
 We will gather after our April 10 Good Friday service for an adult monastic dinner in the Parish Hall immediately following the liturgy. It serves to break our Good Friday fast as we come together in silence and candlelight to enjoy fish stew, bread, and a little wine or other beverage. As the meal progresses it is always a delight to hear the room move from silence to a solemn joy as we anticipate the rest of the story of the death and resurrection of Christ. Look for the Opportunity for Ministry in your bulletin to sign up and join us.

• **Easter Receptions**
 Gala receptions will be held after the 8:45 and 11:15 services on Easter morning. We will need volunteers to provide finger foods and assist with set-up and clean-up for these events. Please indicate on the Opportunities for Ministry in your bulletin or contact the church office if you are able to help. Thanks so much!

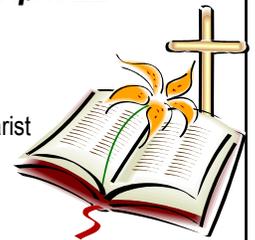

• **Rites of Reconciliation**
 The clergy of St. Catherine's offer the opportunity for private confession (The Reconciliation of a Penitent) during Holy Week. During Lent we are called to a ministry of forgiveness. Holy Week is a great time to explore the areas in our own lives where forgiveness would be appropriate. Confessions are not restricted to times of sickness. They may be heard anytime and anywhere. This liturgy is found in our Book of Common Prayer, pages 446-452, if you are interested in exploring this sacrament. The Reconciliation of a Penitent is available for all who desire it. The Anglican tradition has always been that all people can avail themselves of this sacrament, some should, but none must. If you want to explore this sacrament including simply inquiring about it, please contact Father Jim or Father Sue for an appointment during Holy Week.

Stewardship, a Year-round Journey

Stewardship is not here today and gone tomorrow, but stewardship is a journey. Stewardship is about life and in fact, is a way of life. At Saint Catherine's, we want to introduce year round stewardship. Our goal is to promote a year-round awareness and education to encourage church members to practice stewardship.

As we move through the year and the future, it will be more and more apparent how stewardship is a journey that includes all that we are and all that we do.

We are approaching this journey in four distinct seasons of stewardship: Self, Environment, Resources and Relationships. Our Ministry teams will be placed into one of the four distinct seasons. Even though this will happen, there will be a commonality that all areas share. This may be made more apparent when you view the diagrams (organizational chart, timeline and venn) from the presentation, that depicts how this distinctness and commonality is shared.

This is presented and explained more fully on the Saint Catherine's website (go to the stewardship area to view the presentation). The presentation has been made to both our conveners and to our Ministry teams as a way to understand that stewardship is all that we are, with all that we have and all that we do with the gifts God had provided to each of us. It is how our ministries relate to each other and how the gifts can apply to more than one area of stewardship.

The four seasons of stewardship tie in with our annual seasons. Self relates to the early part of the year through Easter. Environment relates to spring through summer. Resources begins towards the end of summer into late fall. Relationships begin in later fall through the holidays. This all will become clearer as this process unfolds and we are each allowed to share our God given gifts.

Open, O Lord, the eyes of all people to behold your gracious hand in all your works, that, rejoicing in your whole creation, they may honor you with their substance, and be faithful stewards of your bounty. — BCP 329

CONGREGATIONAL NURSES CORNER

Stroke Warning Signs

The American Stroke Association says these are the warning signs of stroke:

- Sudden numbness or weakness of the face, arm or leg, especially on one side of the body
- Sudden confusion, trouble speaking or understanding
- Sudden trouble seeing in one or both eyes
- Sudden trouble walking, dizziness, loss of balance or coordination
- Sudden, severe headache with no known cause

If you or someone with you has one or more of these signs, don't delay! Immediately call 9-1-1 or the emergency medical services (EMS) number so an ambulance (ideally with advanced life support) can be

sent for you. Also, check the time so you'll know when the first symptoms appeared. It's very important to take immediate action. If given within three hours of the start of symptoms, a clot-busting drug can reduce long-term disability for the most common type of stroke.

Dial 9-1-1 Fast — Heart attack and stroke are life-and-death emergencies — every second counts. If you see or have any of these listed symptoms, immediately call 9-1-1. Not all these signs occur in every heart attack or stroke. Sometimes they go away and return. If some occur, get help fast! Today heart attack and stroke victims can benefit from new medications and treatments unavailable to patients in years past. But to be effective, these drugs must be given relatively quickly after heart attack or stroke symptoms first appear.

" Exploring Our Creative Spirit "

Saturday, May 2

Several of St. Catherine' gifted artists will join together on Saturday, August 16 from 9:00 AM to 2:00 PM in the Youth House to support, encourage, and massage the creative spirit which lives within you! Whether you fancy yourself as an artist or consider yourself hopelessly devoid of creativity, you will enjoy this time with **Mel Paris, Elizabeth Lopez, and Jason Snape**. Professional storyteller, **Ginny Accella** and spiritual director, **Kathy Holman** will begin the day with scripture and reflection. Participants will then choose clay, words, or paper and pencil to articulate their experience of the morning. Lunch will be served and our group will gather together to process our reflections and creations.

The day will be light, fun and wondrous. We look forward to *EXPLORING* with you. For more information contact Deacon Kathy.
