Youth & Adult Confirmation

Sunday, May 24, 4:00 PM with Bishop Alexander

We are excited that Bishop J. Neil Alexander will visit St. Catherine's for Confirmation on May 24 at 4:00 pm. It will be a glorious day as we gather in celebration of members of this congregation making a mature commitment to the Episcopal Church. The worship will include our adult choir and a wonderful reception will follow in the Parish Hall. We hope each and every one will plan to be in attendance to support those who will give themselves to the ministry of Christ as expressed through the ministry of the Episcopal Church.

The Feast of Pentecost: May 31

What gift would you like to ask God to give you this feast of Pentecost: *Wisdom, Knowledge, Understanding, Fortitude, Piety, Counsel, or Fear of the Lord (Awe and Wonder of the Lord)*? Come and wear your brightest Pentecost colors – red, orange, yellow, or pink – to either the 8:00 or 10:30 service as we celebrate together and ask God to renew us with gifts of the Holy Spirit.

Pentecost marks an important feast for us as we focus on the gift of the Holy Spirit. It ends the season of Easter but it is not the end of the manifestation of God. The gift of the Holy Spirit empowers Jesus' disciples to boldly proclaim the Good News and subsequently gives birth to Christianity. We celebrate the birthday of the Church on Pentecost. The gift of the Holy Spirit wasn't only for the disciples but continues to be given to us today. Each Pentecost we have another opportunity to be renewed and empowered by the Holy Spirit for the work of God in the world.

We will include in our liturgy a time to reflect on seven particular gifts of the Holy Spirit. These gifts are those given to the Messiah as found in Isaiah 11: 2 - "the

Summer Chaplaincy

The Diocese of Maine has 18 "summer chapels" throughout the Diocese which have become communities of worship and friendship over the last 125 years. Many of the chapels date from those times when the Maine coast was growing popular as a summer destination, the days when families came for the summer, when going to church meant walking there. In later years these served growing and varying populations as the islands grew. Today few families spend the entire summer at their second homes. The roads are paved, the cars are dependable. Still, the summer chapels continue to draw families back to mark life's milestones: weddings and baptisms, memorial services and lovely, unremarkable Sunday mornings.

These chapels do not require full time clergy except during the summer. The Dio-

cese staffs these chapels by inviting priests throughout the church to spend a month "supplying" the peoples' worship, pastoral and sacramental needs. I have been invited to do just that during the month of August at St. Cuthbert's Episcopal Church on MacMahon Island, Maine. Some of you might remember David Stone and his family who were members of St. Catherine's for many years. David's family has a cottage on MacMahon Island. He spoke with me many years ago and asked if I might be interested. I gave him permission to submit my name as a possible summer chaplain. After all these years my name worked its way to the top of the list and when they called last fall I accepted their invitation.

Therefore, I will be away for the month of

The Quarterly Ministry Team meeting will be held in the Parish Hall on Tuesday, June 2 at 7:00 pm. This is time of planning and working together on all of our ministries. These meetings never fail to inform, raise new ideas, and act as a coordination time between all the Ministry Teams. If you are not certain what Team your group or committee belongs to, ask us. We'll be glad to point you to the appropriate convenor.

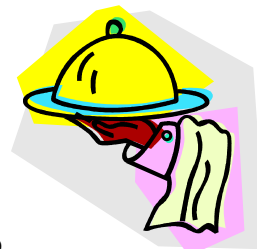

Come join us to find that there is lots going on at St. Catherine's. Everyone interested in ministry at St. Catherine's is welcome to join us!

Summer Chaplaincy (cont'd from page 2)

August. The Vestry and I have been in discussion about this, but so far we don't see any significant impact. All of us are at work planning August events and that work will be ongoing over the early months of summer. We have an excellent team developing our 2009 Country Fair Sundays, and Rally Day and Ministry Fair will be in September this year. The first day of Church School will be September 13.

I intend to use the August time first to serve the people of St. Cuthbert's, but also to both rest and to look to the future of our time together at St. Catherine's. We are approaching the 50th anniversary of the founding of this congregation. I believe this time can be particularly fruitful as we celebrate our past and look to the future of our life together. I hope that this time in August, both through reading and reflection, will focus me on a vision for this time together.

Young Families in the park

This summer **beginning Wednesday, May 27**, we will be gathering at East Cobb Park for the "Ultimate Playdate" every Wednesday evening (weather permitting). The Ultimate Playdate is one of the park's most popular warm-weather events and encourages families to take an outdoor break for some fresh air and family-friendly music. Each Wednesday from 4 pm to 7 pm, Jay Memory, founding member of the national act "Memory Dean," performs old favorites and leads children in sing-alongs.

Bring a sack dinner and beverages for your family, a blanket and/or chairs, and spend the evening with your friends. This is a casual event... no RSVP necessary... just come when you can and look for the families from St. Catherine's. If you have questions about location, dates, or weekly event sponsors, you can take a look at East Cobb Park's website at www.eastcobbpark.org. For information about Young Families, please e-mail Lisa Spessard (Lnspeppard@yahoo.com), Molly Banko (mdbanko@comcast.net) or Jenny Gale (jgale@powersferrypsychology.com).

Pentecost (cont'd from pg 1)

spirit of the Lord shall rest on him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and the fear of the Lord." These gifts, along with piety which was added in the Greek Old Testament as the seventh gift, are promised to all people. It is the life of the risen Christ that opens the way for us to receive such gifts of the Spirit. This is the way God's love, given to us through Jesus, calls to us to remain in that love.

"Praying for Pars"

Are you the kind of golfer who prays for pars when you get out on the golf course? If you are like most of us "hackers" then we invite you to come join your fellow parishioners to play golf on Sunday. The idea is to encourage some additional fellowship by going to the early church service together and eat breakfast in the Parish Hall, before heading out for a 10:00am tee time. This will be an informal approach, with each person responsible for paying for their own greens fees on the day of the outing. We just need for you to confirm your participation by the Sunday one week before each golf outing. We are planning these "Praying for Pars" golf outings on the third Sunday of each month through October. Please mark your calendar for the following dates:

- * **June 21**
- * **July 19**
- * **August 16**
- * **September 20**
- * **October 18**

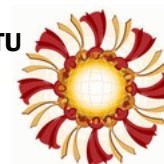

To get started, please sign up on the Opportunities for Ministry in your bulletin or contact Walt McGill, wsmcgill@aol.com, 770-971-8890. We will use email to communicate the logistics for each date. You are welcome to come to all or some dates.

We look forward to some great fellowship together playing golf, regardless of whether you are "praying for pars" or "begging for bogies" or "dancing for double bogies"... See you there!!!

Forums at St. Cat's begin June 28

The triennial General Convention of the Episcopal Church meets this summer from July 8-17 in Anaheim, California. You may want to know more about what specifically will be addressed at this year's Convention. Beginning Sunday, June 28 we will convene a General Convention Forum in the Parish Hall from 9:15 to 10:15 am. We will meet for two Sundays (6/28 and 7/5) before General Convention, once during Convention (7/12) and once following the conclusion (7/19). This will be an opportunity to discuss, anticipate and react to the work of Convention and the many resolutions (currently 243 are published) to come before the Convention.

In the meantime, what follows is a brief explanation of the structure of the General Convention. You can read more and review pending legislation at www.episcopalchurch.org/gc2009.htm.

The Convention is a bicameral house in which elected bishops make up one house (House of Bishops), and lay and ordained deputies (equally represented) make up the other house (House of Deputies).

All bishops of the Episcopal Church, active and retired, are entitled to seat, voice and vote in the House of Bishops. Each of the Episcopal Church's dioceses is entitled to elect eight deputies, four lay persons and four priests and/or deacons, to the House

of Deputies. (Delegates from St. Catherine's help elect our General Convention Deputies at our Diocesan Council 2 years prior to General Convention). Deputies are not delegates; that is, they are not elected to represent the electing dioceses.

Deputies vote their conscience for the good of the church. They cannot be instructed to vote one way or another, for to do so would preclude godly debate and preempt the work of the Holy Spirit. Deputies are expected to serve on committees if appointed, to attend forums and hearings, to read the reports to the church from its commissions, committees, agencies and boards, to listen to, and if so moved, to respond to resolutions on the floor of the house.

The House of Bishops and House of Deputies meet, deliberate and vote separately. To be enacted resolutions must pass both houses in the same language. Resolutions presented to convention come from four sources: committees, commissions, agencies and boards of the church; bishops; dioceses and provinces; and deputies.

General Convention is a combination of legislative assembly, bazaar of goods and services and family reunion. It is one of the most exciting and, truth be told, one of the most awe-inspiring gatherings in the world.

Happy Foods!

Wish you could find a way to perk up your spirits when you feel out of sorts? Try these:

- Whole grains — Carb-rich foods like whole grains, stimulate the release of the brain chemical serotonin, which regulates appetite and improves mood, food cravings and sleep. Try air-popped popcorn, a whole-wheat English muffin with jam or a whole-grain bagel with honey.
- Spinach — Leafy greens are mother Nature's best source of folate, a B vitamin which helps in the manufacture and function of serotonin.

- Bananas — Excellent source of vitamin B6 which helps the body make serotonin. Add them to smoothies and fruit salads.
- Salmon — People who consume ample amounts (2 servings or more per week) of omega 3s, especially DHA from fatty fish, have a lower incidence of depression and memory loss. Or look for foods fortified with contaminant-free, algae-based DHA and aim for 200 milligrams per day.
- Water — Even mild dehydration can cause headaches, fatigues, poor short-term memory and impaired concentration and cognition. Try to drink at least eight glasses of liquid every day; plain water is best.

Rice Bowls Report

During Lent, St. Catherine's Church and Preschool partnered with Rice Bowls, a faith-based non-profit in Spartanburg, S.C. to raise funds for a network of orphanages overseas. Plastic rice bowls were taken to homes, filled with change, and returned on Easter.

Together we raised \$1,063.53! These funds will supply much needed food to a strong network of orphanages in Haiti, Indian, and sub-Saharan Africa, areas of the world where the HIV/AIDS crisis and other factors have greatly marginalized the lives of children. Thank you everyone who participated in this important outreach opportunity!

What's your favorite hymn?

A tradition at St. Catherine's is to sing our favorite hymns at worship during the summer months — doesn't matter what season they are from.

Please submit your favorite hymns (must be in The Hymnal 1982!) and we will do our best to schedule as many as possible. Fill out the Opportunities for Ministry form in your bulletin or contact the church office.

ESL Success

Our first year of ESL Classes at St. Catherine's has almost come to an end! Our final class for the school year will be Monday, May 18. I want to thank all the volunteers and especially the teachers for making the year such a success. Our students were very dedicated, and many of them greatly improved their language skills thanks to our dedicated volunteers.

I would like to get an idea of who is interested in teaching ESL in the fall. Remember—you do not need teaching or ESL experience to become a teacher! All you need is a desire to share the English language with those in our community who desperately want to learn it, in order to improve the quality of their lives. If you feel you would like to become a teacher for the fall semester, please let me know. You do not have to commit at this time, we are simply compiling a list of interested people. If you are unable to commit to teaching a weekly class, we can match you up with a partner so you can alternate weeks.

Thanks so much to all our teachers for all your hard work, and for helping to make our first year of ESL a success.

Ldumke@bellsouth.net, 404-731-9874

Thanks, St. Catherine's!

Your calls, cards, flowers, food, and visits lifted my spirits and accompanied me in and through a nightmare. When I was afraid, I didn't feel alone; when I faced new realities, your testimonies helped light the way. Now share my joy — I'm in recovery and it feels good. I'm grateful to be a cancer survivor and to have been watched over by a caring parish— Father Sue, Father Jim, Deacon Kathy, and all of you. Love is from God.
