

The Wheel

Celebrate Christmas at St. Catherine's

Christmas Eve

- **5:00 PM — Family Holy Eucharist**

A special music prelude begins fifteen minutes before the service. The worship service starts with the procession at 5:00. All the children are invited to process with the choir and clergy as the baby Jesus makes his way with us to the crèche at the altar. The Youth Choir will share their voices as their Christmas gift to us. The nursery will be available. A festive reception follows in the Parish Hall.

- **10:30 PM — The Christ Mass**

Service begins with our Adult Choir, Organist Jana Williams and special guest string quartet in Vivaldi's "Gloria," 10:30-11:00. The Christ Mass procession starts at 11:00 PM. The solemn and beautiful Christmas

celebration brings the glory of our Anglican tradition to the greatest story ever told as we celebrate the birth of our Savior. Following is a festive reception with champagne and an opportunity to wish each other a joyous Christmas.

Christmas Day

- **One service, 10:30 AM** — We hold our celebration of the incarnation with an intimate and casual service on Christmas morning. One of our wonderful traditions at St. Catherine's is to bring with us our favorite gift to tell about during announcement time. We invite you to bring yours this year and share with us how it has brightened your life as we celebrate the greatest gift of all — Jesus Christ our Savior.

For to us a child is born

One of my favorite Christmas traditions in the church is the Christmas Pageant. Begun in the countryside of Italy outside the gates of Assisi, St. Francis brought the live nativity to illiterate peasants and villagers so that they would know that this baby was born for them—born for all. Books have been written about the chaos surrounding the production of these pageants. Fabulous and hysterical accounts of kids being kids and live animals being live animals have made great stories for many a print page and family gathering. Most amazing to me is how the profound message of God's birth into a broken world shines through the simplicity and chaos of the Christmas Story acted out by children.

St. Catherine's has been given a precious gift which was witnessed for the second year this past Sunday. Zanny Dillson gifted

us with an original Christmas pageant script. As unique as Zanny herself, our pageant showcases the youth of St. Catherine's as angels, shepherds, wise men, sheep, Roman officials, Mary and Joseph, and... the widow and the orphan. In the closing scene, the widow, the orphan, and the roller skating angel, Tardia, come to find a multitude gathered around a manger in a stable. "Wow, so many people here," says the angel, "Oh, well, no problem. There is room for everyone at the manger."

It is God, the Lord and Creator of all things, who becomes so small here, comes to us in a little corner of the world, unremarkable and hidden away, who wants to meet us and be among us as a helpless, defenseless child.

Annual Meeting

Sunday, January 24

Worship at 7:30 & 10:30 this day

The canons of the Church (Canon 31) require that the congregation meet annually on a date appointed by the Vestry. St. Catherine's Annual Parish Meeting will be held on Jan. 24 at 12:30 PM (a light lunch will be served 11:45-12:30 preceding the meeting). There will be only two worship services this day at 7:30 and 10:30 AM, and Church School 9-10 AM.

The Annual Parish Meeting is a time for the congregation to receive reports from the Rector, Senior Warden, Treasurer, and other organizations throughout the parish. It is a time to reflect on the year past and to explore the opportunities and challenges that lie ahead in the new year. We hope you will be a part of this most important time in our common life.

- They received with regret the resignation of **Norma Alexander**. In further action, they appointed **Robbie Roy** to fill Norma's unexpired two-year term.
- They reviewed 2009 finances and heard that we experienced a strong month in November.
- They discussed the 2010 preliminary budget presented by the Finance Team.
- They approved expenditures for Lay Christmas Gifts.

Financial Peace University

St. Catherine's has "graduated" its first Dave Ramsey Financial Peace University (FPU) class. The course is positively powerful! Are you looking for ways to spend less and eliminate the burden of debt? Do you need guidance on how best to save and invest more of your hard-earned income? Do you want to provide for college educations or to enjoy a long, self-funded retirement? If so, then FPU is for you.

Our second "semester" will be offered Sundays at 3:30-5:30 p.m. in the Parish Hall, starting January 24 and ending May 2 with a two-week Spring Break in April. Phil and Lisa Spessard (students this "semester") have volunteered to moderate the sessions.

To learn more, please stop by our information table between services on Sundays. Thirty-minute Preview Sessions will also be offered in the coming weeks. In the meantime, for questions please contact Phil Spessard at pspessard@tgmail.com or Peter Morich at peter.morich@tgmail.com.

Christmas Communion

If you or someone you know someone is ill or shut in and will not be able to attend Christmas Eve or Christmas Day services, please notify the church office so we may schedule a Lay Eucharistic Minister to bring communion to their homes.

Memory Wreath for Christmas

During the Hanging of the Greens on Dec. 20, we will be placing a Memory Wreath on the gate at the entrance to the Memorial Garden. If you find yourself missing someone special to you who has died, we invite you to bring a small ornament or memento and hang it on the wreath in memory of your loved one. If you have any questions, feel free to contact Gail McGill.

Reflection of the Day

Our booklet of reflections written by our own parishioners, one reflection per writer on scriptures from the beginning of Advent through Epiphany. Copies are available at church, and be sure to check our website for your Reflection of the Day!

Special Christmas Fund

Each Christmas members of the congregation give to a Special Christmas Fund, to support parish members who have suffered in any number of ways, to support them at a time of year when limited resources are painfully evident. We invite you to be a part of this giving. Simply write a check to St. Catherine's and clearly mark it for the Special Christmas Fund. Any amount is gratefully accepted.

A Way to Serve

Parish Facilities & Administration

This month the Parish Facilities and Administration Ministries are our ministry team focus, and we get to tell you about how we serve.

In addition to our wonderful clergy and staff, some of your fellow parishioners help with essential tasks that make our church go:

- We maintain our buildings and grounds, our web site, our sound systems, our IT infrastructure
- We publish important communications like *The Wheel*
- We volunteer to help in the church office
- We help with human resource needs. We have fun.

These areas are second nature to homeowners and business workers and we welcome your expertise. If you don't have the experience, we can show you how. The folks who head these ministries are identified in the Ministries Directory, or ask Al Jones, 770.565.1013, who is the convener. Would you like to join us?

CONGREGATIONAL NURSES CORNER

About Shingles

Shingles is a skin rash caused by the same virus that causes chickenpox. After an individual has chickenpox, this virus lives in the nervous system and is never fully cleared from the body. Under certain circumstances such as emotional stress, immune deficiency (e.g. AIDS or chemotherapy) or cancer, the virus reactivates causing shingles. Anyone who has ever had chickenpox is at risk for shingles, although it occurs most often over age 60.

Seeing your doctor right away if you suspect you have shingles is very important! There are several effective treatments. Drugs can reduce the severity and duration of the rash if started early (within 72 hours of the appearance of the rash). The addition of steroid drugs may have limited benefit in some cases. In addition to antiviral medication, pain medications may be needed for symptom control.

The U.S. Food and Drug Administration (FDA) has approved a vaccine that may

help prevent shingles or make it less painful if you do get it. One dose is recommended for adults 60 years and older. It's not known if the vaccine will prevent shingles from occurring again. If you have never had chickenpox, you may

avoid getting the virus that causes both chickenpox and later shingles by receiving the varicella vaccine. Ask your doctor for recommendations.

If you have never had chickenpox, avoid contact with people who have shingles or chickenpox. Fluid from shingles blisters is contagious, and exposure to it can cause chickenpox (but not shingles). If you develop shingles, avoid close contact with people until after the rash blisters heal. It is especially important to avoid contact with people at special risk from chickenpox or shingles, such as:

- Pregnant women, infants, children, or anyone who has never had chickenpox.
- Anyone currently ill.
- Anyone with a weak immune system (such as someone with HIV infection or diabetes).

Christmas Pageant: "At Long Last Christmas!"

Computers wanted

Are you planning to replace a computer with a shiny new one soon? The church office is in need of one or two Windows PC desktop computers in good working condition. Here are the system capabilities of what would be useful to us: Dual CPUs or dual core CPU 2 GHz or faster, AMD or Intel; memory – 2 GB or more; disk – 160 GB or more; monitor – not required, 19" or larger flat screen if included; Windows XP Professional license (CD not needed).

If you have a system you would consider donating please contact St. Catherine's IT Committee Chair, Paul Manno, at pmannoATgmail.com. (Your staff requests that computers and other items *not* be dropped off at church without first checking with us to see if it fits our current needs.)

Letters

Dearest Ones,

Mere words cannot begin to express the depth and breadth of my gratitude for all of your loving care following my fall in Ireland, where I broke my arm at the shoulder. I was less than 12 hours back in the United States when I received an early morning call from Amy Morris asking, not if, but when Sunshine could start bringing us meals. They have been a delicious and nourishing God-send to us, when cooking one-handed would have been quite a challenge. Because of the medication I had to take for pain, I wasn't able to drive to work or physicians' appointments, but so many of you stepped right up to see that I got safely where I needed to be. Then get well cards began coming, along with all of your other personal expressions of love, concern, prayers for healing and offers of assistance that have cheered me up when dealing with this injury might have otherwise been discouraging. Most recently, the Daughters of the King surprised me with the beautiful gift of a prayer shawl to wrap me in love and prayer for continued healing. I have a new appreciation for anyone living with a disability and now know what a difference it makes in that person's life when they are supported by others. I have been deeply touched by each and every one of your acts of loving kindness. You have enfolded me in your love and I know it is hastening my recovery. I am truly blessed and profoundly grateful.

Love, love, love....

Dear Friends at St. Catherine's,

Thank you for your generous support. This is a great time of the year. It's great to see so many of the guys (and now women) get excited about spending time with their children for the holidays. For nearly all of them this will be the first time in many years. Your support helps bring those families together and helps give them hope for the new year. Thanks again!

Sincerely,

Jenna (for The Exension)

Thank you, Georgia Festival Chorus, for filling our hearts and our sanctuary with such lovely sounds [in the concert on December 6]. It was a great event to get everyone into the Christmas mood and jump start our spirits. The numbers that you sang while surrounding the entire Church were absolutely wonderful. We appreciate the time that you donate to practices and traveling to make this happen. For those who did not attend the concert and would like to hear more....the CDs are a wonderful way to recollect and revisit this memorable gift given to us by the Georgia Festival Chorus.
